

Saint Anne Parish School
GROWING SERVANT LEADERS FROM THE INSIDE OUT

March 2019

Dear Saint Anne Parish School Parents,

As you know, registration and planning for the 2019-20 academic year has been in full swing. The Saint Anne Parish School community continues to attract new families from the Chicagoland area and from out of state. With that said, please spread the word about our wonderful parish school, because word of mouth is the BEST form of advertisement for our Catholic school!

In order to maintain the quality academic environment and provide our faculty/staff with a modest mandated pay increase, we must incur a tuition increase. The School Advisory Board, supported by the parish finance board, approved an average 5% tuition increase for the next academic year. Our tuition remains competitive compared to other nearby parochial options.

Over the past several years, Saint Anne Parish School has been growing in all areas of instruction, including but not limited to the technological demands in education. As you know, we are investing in collaborative learning environments which improve student engagement and motivation. We are continuing to leverage the use of Chromebooks to enhance learning experiences and personalize instruction across all grade levels. All students in kindergarten on up are assigned their own devices to promote digital learning in school and outside of school.

Also enclosed in this mailing are the Tuition and Fee Covenant and the Tuition Policy. Please read these documents and submit the completed **Tuition and Fee Covenant**, the **signed Tuition Policy**, the **SMART Tuition form** and all of the fees no later than **May 20, 2019** for your student(s) registration to be complete for the 19-20 school year.

In closing, we realize the sacrifices your family makes in choosing to pay for Catholic education. As a Catholic Faith Community, attendance at weekend liturgy along with volunteerism help all of us feel more connected not only to the Parish, but to the fundamentals of faith that our children are learning in school on a daily basis. We value your commitment to the Saint Anne Parish School community!

If you have any questions, please do not hesitate to contact us.
