FOR PARENTS OF STUDENTS WHO SELF ADMINISTER MEDICATIONS

I authorize St. Anne School and its employees and agents, to allow my child or ward to possess and use his or her asthma medication, diabetic supplies or "Epi-Pen" (1) while in school, (2) while at a school sponsored activity, (3) while under the supervision of school personnel, or (4) before or after normal school activities, such as while in before-school or after-school care on school-operated property.

I verify that my child has been instructed and can self-administer his/her prescribed medication in accordance with the prescribed dosage and route. Also my child is aware of potential side effects, when medication is not effective, and when additional help is needed. Illinois law requires St. Anne School to inform parent(s)/guardian(s) that it, and its employees and agents, incur no liability, except for willful and wanton conduct, as a result of any injury arising from a student's self-administration of medication (105 ILCS 5/22-30).
