

St. Anne Home & School Newsletter

Week of: 9/23/2019

Please read below for some important information from St. Anne Home & School (PTO).

- Home & School Sponsored Dollars for Dress Down Day: 9/27! This year, we will be having an additional dress down day (typically the last Friday of the month)!! Students may bring in \$1 (or more if so inclined) and dress down. The money collected will go towards a current school initiative. This is a fun and easy way to support school initiatives and help our students see that giving comes right back around and that we are stronger together.
This month, the day will take place on Friday, 9/27 and the money collected will go towards the Stop The Bleed - Save a Life campaign. This is a District 220-wide initiative to get every school equipped with emergency life saving kits in every classroom and common area. Each kit contains tourniquets and other life saving materials to provide a 7-10 minute jumpstart before professional aid arrives. In addition, paramedics from the Barrington Fire Department will provide hands-on training to classroom teachers & school administrators who would be called upon to perform life saving treatment until professional help arrives. We hope that you will join us in this initiative to help keep St. Anne's emergency preparedness at the highest level. Please note, kits will be provided in the Church and Parish common areas as well. We will be collecting additional donations after Mass on 9/29. www.STBBarrington.com
- Diversity to Inclusion Parents Seminar is THIS THURSDAY 9/26: 6:30-7:30pm in the Hospitality Room. All parents are encouraged to attend this important & informative seminar & will receive an Out of Uniform Pass for their child for attending! Don't miss out!
